# Breeders Challenge Auction Rules

**FORWARD:** The Breeders Challenge Futurity and Auction is an LLC, State of Iowa. Any rules herewith can be changed, added to, or deleted at the discretion of the BCF Board of Directors. This corporation's purpose is to promote the Pony Of The Americas breed.

**PRIZE MONEY:** All proceeds from the sale of stallion services, minus 20% for operational expenses, will be used as "prize money". Accumulated interest from the stallion Auction will be used to pay expenses.

**ELIGIBILITY:** Only those weanlings resulting from stallion services purchased, and the selling stallion service donator, for a slot of one each, will be eligible to compete for the weanling purse. Weanlings will be split into two classes; Colts and Fillies. Weanling Geldings will show with Colts. The following year, ALL yearlings from the "sold" stallion's service will be eligible for the Yearling In Hand Trail and Yearling Longe Line classes. The year after that, ALL two year olds resulting from the "sold" stallion's service will be eligible for the 2 year old Hunter Under saddle, and the 2 year old Western Pleasure classes.

## **STALLION OWNER'S OBLIGATIONS:**

- The BCF Stallion Contract must be completed and signed, and returned to the BCF Secretary on or before the live auction. For catalog printing purposes, contracts must be received by Dec. 31 of the year preceding the auction. Please send good or professional photos for the catalog.
- A photocopy of the stallion's registration papers must accompany this contract.
- The stallion owner agrees to file a POAC stallion report by Oct. 1 of the breeding year.
- The stallion owner must nominate his mare by Dec. 31 of the breeding year. If the stallion owner has no mares in foal to said stallion, he must notify the BCF Secretary, by same date, of the intent to carry over this mare nomination for the following year.
- The stallion owner will receive **one** mare nomination for each service sold, and paid in full.
- The stallion owner may purchase their own stallion's service, thereby allowing **two** mare nominations.
- If the purchaser of the stallion's service defaults, the Secretary will

notify the stallion owner. The stallion owner will be given the option of paying for the remainder of the fee owed, thereby maintaining eligibility of foals to the BCF Futurity. The stallion owner would get both (two) mare nominations. Stallion owner has until 12/31 to make the remainder of the payment due.

- In the event the purchaser of the stallion service defaults on payments, and his/her mare is already in foal due to a result of the auction, no breeder's certificate will be issued. It is strongly advised that the stallion owner receive a copy of the mare's registration papers prior to shipping semen or live covering the mare as a result of the service sold through the BCF auction.

### **MARE OWNER'S OBLIGATIONS:**

- The mare owner agrees to pay for the stallion service purchased, regardless of how the purchase was made. The Stallion Contract will be signed, and returned to the Secretary, by the purchaser within 10 days of the live auction.

- The mare owner will provide a copy of the mare's registration papers prior to the actual breeding taking place.

- All fees associated with this breeding, outside of the fees paid to the BCF, are the responsibility of the mare owner, and are between the stallion owner and him/her self.

- Transfers of the ownership of a stallion's service will not be allowed without the consent of the stallion owner and the BCF Board of Directors. Mare owners must notify the President of their intent to sell this breeding in writing. The Board will make a ruling within 10 days of receiving such a request, and notify the mare owner of the ruling.

- The stallion service fee must be paid in full by July 1 of the breeding year, or the purchaser will be considered to be in default. If in default, purchaser will forfeit any part of the fee previously paid.

**GENERAL RULES:** Starting bid will be \$300 or ½ of the stallion's advertised fee, whichever is greater. If the advertised fee is Private Treaty, then the minimum bid will be \$300, or an amount determined by the stallion's owner. Any and all fees associated with the breeding should be declared on the stallion contract.

Phone bids will be accepted with a \$100 deposit made to the BCF prior to the live auction. In the event the prospective buyer is not successful, the \$100 will be returned. If the buyer is successful, the \$100 will be held as a deposit on the service with the remaining amount due. NO phone bids will be taken without a deposit. In the event of a default on a successful bid, this deposit will not be returned.

Services not sold at the live auction will be offered on a "first come, first served" basis to the first person sending a check to the Secretary via USPS mail, with the earliest postmark, until July 1 of the breeding year.

All stallion fees purchased must be paid by dates due. Any fees not paid in full will result in the non-issuance of a breeder's certificate, the mare owner will be considered in default, and will forfeit the privilege of participation in the BCF Futurity. TERMS: 25% down payment due the

within 5 business days of the auction; the balance will be paid in 3 equal payment due on March 15th, April 15th, and May 15th. If the purchaser defaults, all previous payments will be forfeited.

Should a mare not conceive in the first year of service, a return will be given the following year. In the event of death of the original mare, or a mare that has been bred and did not conceive, a substitute mare will be acceptable. The stallion service fee paid from that year's auction will remain in the year purchased. The foal will be moved to their year of eligibility. If a BCF nominated mare is sold, the futurity rights go with it. Substitutions for mare nominations are not allowed. Service purchasers may sell a stallion service by notifying the Secretary or President in writing. By doing so, the person forfeits their futurity rights into the futurity, and the new purchaser is then eligible. Fees must be paid in full before they are transferable.

Should a stallion die, become incapacitated, move to an undesirable location, or is sold or leased, credit will be given to the service fee purchaser for the following year, for the paid amount to be applied toward the purchase of another stallion's service. If there is no attempt made to service the mare in the appropriate year, it will be considered a forfeit, unless there are extenuating circumstances, of which notice must be made to the BCF President by August 1 of the breeding year following purchase. Failure to comply with any of the terms/rules will result in forfeiting their right to participate in the futurity. There will be no return of fees paid unless the futurity is cancelled. The BCF Board of Directors reserves the right to make decisions they deem to be in the best interest of the futurity. Their decisions are final and are not protestable.

All POAs exhibiting in the six BCF core classes must have regular tentative POAC registration papers. POAs will be inspected for color and height prior to the start of the futurity and will meet the requirements set forth by POAC, Inc.

Foals from nominated dams are eligible for the Yearling and two year old classes at a reduced fee of \$50 per class. All other eligible yearling and two year old POAs will pay \$100 per class to be a paid entry. Only foals from stallions that sold in the appropriate year are eligible for nomination. Please check the stallions sold list to see if your POA is eligible.

His superior bloodlines have produced performers with class. By International Champion RY Major Equity, whose sire is Invested Equity, AQHA, by the great Western Pleasure sire The Investor. Invested Equity is himself a multiple ROM producer, and has ROMs in Western Pleasure, Western Riding, and Trail. Maternal ½ brother to Doc O Mos, AQHA World Champion Western Pleasure sire. The first granddam on the top side is Majors Legacy, Supreme Champion by Major Shannon, ApHC, and out of the great mare, Ima Silver Annie.

Dex's dam is Diamond Fantasy, who is by The Midnight Special, ROM(H), and out of Queen Of Aces, ROM(H). Diamond Fantasy also carries the blood of Skipa Star, AQHA, Tough Plaudit, Gold Prince, and Hi Va Avitar.

At the 2008 International Futurity Dex was Reserve Champion 2-year-old halter stallion and Reserve Champion 2-year-old Longeline. In 2010 he was named POAC National High Point Medium Aged Stallion. He won the 2010 International Futurity 3 & 4 year old Stallions in Des Moines. He was named Grand Champion Stallion at the Eastern Classic in Indiana, and the Western Classic in Colorado. At the Western Classic he also won JPFC 3 & 4 year old Western Pleasure. Dex has since made a few appearances in the show pen between breeding seasons in Hunter under Saddle, Western Pleasure, and Hunter in Hand, and has been exceptional against the "horses" at the shows.

Dex has spectacular foals on the ground. They are naturally soft movers with great minds. His foals are proving themselves in the halter pen and on the rail. Dex has sired foals that have been futurity champions, top 5 in the national point standings and many others in the top 5 in both halter and performance at the futurities. Each year he has left us in awe of the quality of foals he has given us. These foals will impact our breed for years to come.

**Stud Fee: PT • Starting Bid: \$300**  
Mare care \$8/\$10 • Live Foal Guarantee  
**FROZEN SEMEN ONLY**

No Doubt No Maybe is a 2018 AQHA stallion. “Wesley” is a gorgeous palomino with a striking blaze and plenty of chrome. His pedigree combines champion pleasure lines on both top and bottom. He is sired by AQHA World and Congress champion No Doubt Im Lazy, who is a multiple AQHA World and Reserve World Champion and Congress champion sire. No Doubt Im Lazy is sired by Lazy Loper by Gotta Lotta Potential by Potential Investment.

His dam is Miss Gold Impulse, an AQHA palomino mare sired by A Sudden Zippo by a A Sudden Impulse by Impulsions. Her pedigree includes Quarter Horse greats such as The Investor and Impressive. Miss Gold Impulse produced POA National Futurity Champion Yearling Gelding, RY Diamond De Lor. Wesley is 5 panel negative.

“There are only two colors of horse: palominos, and those that wish they were.”

DKS Chocolate Chrome is a 2019 grullo snowcap POA stallion. "Groot," as he is affectionately known, is an exciting stallion prospect with his top-notch pedigree, quality movement, unique color, and guarantee to pass the Appaloosa color gene to his foals. His sire, Chocolatey (ApHC), is the all-time leading performance horse sire in the Appaloosa Horse Club. Before becoming the legendary sire he is today, Chocolatey was a champion himself, winning such prestigious futurities/classes as the Southern Belle Invitational, Tom Powers, Reichert Celebration, NSBA World Championship Show, Just For Pleasure, and Double Your Pleasure. He is an ApHC World Champion and World Champion sire who is not only a top Appaloosa sire, but a leading sire in the Western Pleasure industry.

On his dam's side, Groot carries the bloodlines of POAC Hall Of Fame stallions East Acres Double Tough and Docs Tough Cookie. His dam also produced a POA Select Sire Futurity reserve champion colt, DKs Made For Romance. Groot carries one HERDA gene. Mare owners must provide proof of negative HERDA test when submitting breeding contract.

*RY Major Heritage is a 2024 sorrel snowcap colt. His dam is two-time Congress champion Pal Prada. His sire is Congress Champion and Congress and Futurity champion sire, RY Diamond Equity. His pedigree contains multiple HOF and notable sires such as Zip N Gold, RY Major Equity, Santee Cody, Tough Plaudit, Takaupa Gold, and Gold Prince. The mares are just as impressive: Majors Legacy, Pal Masquerade, Queen of Aces, Ima Silver Annie and Sundance Julie. With his combination of pedigree, correctness, attractiveness, and stellar disposition, we are very excited about the future of this young colt.*

# Breeders Challenge Futurity Rules

**GENERAL RULES:** The weanlings will be divided into two classes; Fillies and Colts/Geldings. Yearling classes will be Longe Line and In Hand Trail. Two year old classes will be Western Pleasure and Hunter Under Saddle. All proceeds from the sale of stallion services, less 20%, will be used as prize money in the form of payback.

**ELIGIBILITY:** Only weanlings resulting from a purchased stallion's service, and the stallion service donator will be eligible for the weanling purse (one mare nomination each). All yearlings and two year olds resulting from an in-dam nomination, and all others sired by a stallion whose service was sold in the appropriate year are eligible for nomination for the yearling and two year old classes. Check the website to see if your yearling and two year old POAs are eligible at [www.bcfuturity.com](http://www.bcfuturity.com).

**MARE NOMINATIONS:** Nomination of a mare **MUST** be made on or before January 1st of the foaling year. If your mare is open, you still **MUST** nominate a particular mare to maintain eligibility for the following year. Failure to nominate a mare will result in losing that slot for the weanling futurity and all in-dam rights. If you are leasing a mare for your mare nomination a copy of the signed lease must accompany the mare nomination. Nominations from a third party will be accepted with permission from either the service purchaser or the stallion owner. If a nominated mare is sold in foal, the futurity rights go with the mare. Changes in ownership must be reported to the BCF Secretary, who will record and notify the BCF Board of such a change. No mare nomination fee is required.

**EXHIBITION RULES:** All POAs showing in the six BCF classes must be tentatively registered. Registration papers will be presented at the time of inspection, or may be sent to the Futurity Secretary prior to the show. Failure to show papers will make the entry ineligible to participate in the show. All POAs showing in the BCF Futurity classes must pass inspection in regards to height and color

per POAC, Inc. rules. This futurity will be held at a time and place designated by the BCF Board of Directors. These directors reserve the right to settle any disputes associated with the implementation of the BCF and/or the show, and their decision will be final. All classes will be judged by a minimum of 3 judges. All entries are subject to drug testing. Final placings will be determined by the total number of points awarded to each entry under each judge's placings with the lowest total being first place. The point system will be as follows: 1st place = one point; 2nd place = 2 points, etc., placings all entries in the class. All entries below 20th place will receive 21 points. A tiebreaker judge will be chosen and posted prior to the start of each BCF class.

**PURSE DISTRIBUTION:** Prize money will be distributed as follows: 60% will go to the weanlings, being split 50/50 between fillies and stallions/geldings; 20% will be held for the Yearling classes; and the remaining 20% being held for the two year olds. This pertains to each year's BCF Stallion Auction.

**ENTRY FEE SCHEDULE** for Yearlings and Two Year Olds: \$50 per class for in-dam nominated POAs; \$100 per class for all other eligible get of a sold stallion. The one-time fee for Yearling and Two Year old nominations are due **July 1st**. Late nominations for eligible POAs may be made, with a penalty fee, as determined by the BCF Board of Directors. There will be an office charge of \$15 per entry paid to the Futurity Secretary the night prior to the show. The stall fee will be reflected on the BCF Stall Reservation Form. Checks will be handed out the day of the show made payable to the owner of the pony. If the check is to be made out to someone other than the owner, a release from the owner must be on file with the Futurity Secretary no later than the day preceding the BCF Show. Social Security numbers of persons who may receive checks must be provided to the Futurity Secretary no later than the day preceding the BCF Show. Failure to provide this information may delay your check being given out.
